### S.O.A.P. Method

Scripture | Observation | Application | Prayer

The S.O.A.P Method is a journaling tool to help you take a next step in your daily Bible study. Think of this method like a pathway for God's word to travel from your head to your heart as you focus on what you've just read. Here is how it works:

**S** - Start with Scripture. Write down one or two (more if you'd like) verses that stick out to you.

**O** - Observation. What do you see? What did you learn? Who is the audience?

**A** - Application. Ask yourself, "What is God's Word saying to me? How can I apply that scripture to my life today? Are there any changes that I need to make in my heart to be able to live this out?"

**P** - Prayer. Pray God's Word back to him. If something was revealed to you in the scriptures, pray about that. Confess any sin that might have been revealed to you.

### S.O.A.P. Example

I Thessalonians 1

**S** - <sup>4</sup>For we know, brothers and sisters loved by God, that he has chosen you, <sup>5</sup>because our gospel came to you not simply with words but also with power, with the Holy Spirit and deep conviction. <sup>6</sup>You know how we lived among you for your sake. You became imitators of us and of the Lord, for you welcomed the message in the midst of severe suffering with the joy given by the Holy Spirit.

**O** - Paul is with Silas and Timothy. They are reflecting on a time they spent with the church in Thessalonica. The way the church is living for the Lord, despite some hardships, gives them great joy.

**A** - I don't always have a good attitude when things go wrong in my life. I can respond in a way that doesn't reflect the character of God. If people imitated me, would they reflect me or God?

**P** - Lord, sometimes I don't choose joy when hard situations occur in my life. I confess that I let those steal my joy and I don't trust in you and your faithfulness. As I learn to trust you in all things, help my walk with you be an encouragement to others. In Jesus name I pray, Amen.
