S.O.A.P. METHOD

Scripture | Observation | Application | Prayer

The S.O.A.P Method is a journaling tool to help you take a next step in your daily Bible study. Think of this method like a pathway for God's word to travel from your head to your heart as you focus on what you've just read. Here is how it works:

S - Start with Scripture. Write down one or two (more if you'd like) verses that stick out to you.

O - Observation. What do you see? What did you learn? Who is the audience?

A - Application. Ask yourself, "What is God's Word saying to me? How can I apply that scripture to my life today? Are there any changes that I need to make in my heart to be able to live this out?"

P - Prayer. Pray God's Word back to him. If something was revealed to you in the scriptures, pray about that. Confess any sin that might have been revealed to you.

S.O.A.P. Example Psalm 33:4

S - "For the word of the Lord is right and true; he is faithful in all he does."

O - Anytime I'm unsure of which way to go or what decision to make, I can always trust God's word to guide and direct me. I can trust Him, because he is faithful in everything he does. I can always count on Him.

A - Consistent time in the word will help me make proper decisions that honor God and others around me. The more I know God's word, the more I can look like His son, Jesus.

P - Heavenly Father, thank you for your word. Thank you for inspiring the authors to write it, and the many people who have sacrificed to translate it in multiple languages for those around the world. It is precious to me and as I grow closer to you and understand how to live my life. I pray that I will be faithful to read it, study it, and apply it to this life you gave me, just as you are faithful in everything you do. In Jesus name I pray, Amen.
